

# SWPBS

# BUZZ BUCKS

# What's It All About?

This year at MES, we are very excited about a system we are using called SWPBS (School Wide Behavior Support Systems). Students have the same 3 rules school-wide:

- ✓ Be Ready
- ✓ Be Responsible
- ✓ Be Respectful

Any time a student is being noticed exhibiting behavior for one of the rules, they are rewarded with “Buzz Bucks”. All staff members have Buzz Bucks to distribute with different amounts of points. For example, the administrators give out 4 points, lunchroom=3, teachers=1, and special guests=5. Students keep up with their Buzz Bucks in their classroom filing system and at the end of each nine week grading period; they get to spend their bucks in the school store. This will be a designated day that all students will get to spend their bucks or they can save them for bigger items later on in the year. We plan on having some great items in the store, including larger items like a bike, an Ipad, CD player, and coupons redeemable for special privileges. We appreciate all of the support we can get from our parents and community. If you have access to getting some small or larger items for the store, we would love to have any donations. We are always on the look out for clearance items and special end of season sales, so please help us out all you can. We believe you will see a major transformation in your child and our school climate. We all believe in this system. If you have questions about it, please contact the school or come by to see it being implemented into action. Please feel free to share your thoughts and ideas!

Mrs. Layne, Principal and MES Staff
